The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Winners will receive a “Best Of Houzz 2015” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“It’s an honor and privilege to win this award for the second year in a row. Knowing that our customers are supremely satisfied is really validating,” said Daymon Asbury, founder of Asbury Remodeling & Construction. “We love our craft, and I like to believe that comes through not just in an awesome end product, but also in the creative process and positivity we create with our clients throughout the whole building process.”
